In forwarding herewith, a file of correspondence ending with the Hassan Sub Division Officer's Memo No. C2-C.461/33-34 dated the 19th September 1933 on the above subject, I have the honour to state as follows:-

1. The President of the Hassan Town Municipal Council having requested this office in his letter No. 215 dated 6-8-1933 to acquire Garden lands, S.Nos. 446 & 449 of Hassan Town required for the deviation of the Bangalore-Mangalore Road in connection with the formation of a Circle in front of the Octroi Katte at Hassan, at an estimated cost of Rs 11,445/-, the Sub Division Officer, Hassan, was requested to obtain a report from the Amildar with the necessary statements of parties interested, and an estimate of the cost of acquisition etc., He has accordingly submitted the records. It is seen therefrom that the owners of the lands have no objection to their acquisition on payment of compensation.

2. As regards the market value of the lands proposed to be acquired, the Amildar states that the villagers estimate them at Rs 1200/- per acre, but that he is of opinion that they may be valued at Rs 800/- per acre. I consider that this rate also is too high and am therefore taking action separately to get the correct valuation of the lands by references to the indexes of lands maintained in the

5

the Hassan Sub Registry Office. The President of the Municipality states that the Municipality is willing to bear the cost of acquisition (vide their resolution dated 29-7-1933). On getting the lands correctly valued and determining the total cost of acquisition, I shall request the Municipal President to place the total sum at the disposal of the Revenue Department.

3. Meanwhile, the President, states that the work of forming the circle has already commenced and is going on briskly and that it is very necessary to take immediate possession of the lands under Section 17(1) of the Land Acquisition Regulation and requests that arrangements may be made to place the lands in the possession of the Municipality. I therefore recommend that the provisions of section 5-A of the Land Acquisition Regulation directing the publication of the preliminary notifications and calling for objections may be dispensed with in this case under Section 17(4) of the Regulation and the sanction of Government obtained to the acquisition of S.Nos. 446 and 449 (Garden) Hassan Town, the Sub Division Officer, Hassan, being appointed to perform the functions of a Deputy Commissioner under the Land Acquisition Regulation and take order for the acquisition of the said properties. On receipt of sanction of Government to the acquisition, further action will be taken to take possession of the lands.

4. The statements under Section 17(4) of the Regulation and the Declaration Statements under Section 6, both in duplicate in English and Kannada, are herewith forwarded for favour of publication in the Gazette.

I have the honour to be,
Sir,
Your most obedient servant,

M. Thimmaiah

the Hassan Sub Registry Office. The President of the Municipality states that the Municipality is willing to bear the cost of acquisition (vide their resolution dated 29-7-1933). On getting the lands correctly valued and determining the total cost of acquisition, I shall request the Municipal President to place the total sum at the disposal of the Revenue Department.

3. Meanwhile, the President, states that the work of forming the circle has already commenced and is going on briskly and that it is very necessary to take immediate possession of the lands under Section 17(1) of the Land Acquisition Regulation and requests that arrangements may be made to place the lands in the possession of the Municipality. I therefore recommend that the provisions of section 5-A of the Land Acquisition Regulation directing the publication of the preliminary notifications and calling for objections may be dispensed with in this case under Section 17(4) of the Regulation and the sanction of Government obtained to the acquisition of S.Nos. 446 and 449 (Garden) Hassan Town, the Sub Division Officer, Hassan, being appointed to perform the functions of a Deputy Commissioner under the Land Acquisition Regulation and take order for the acquisition of the said properties. GENERAL SECRETARY 6 OCT 1933 No. [illegible]

SIR,

Subject- Acquisition of S.Nos. 446 (9 guntas assessed at 1 rupee) & 449 of Hassan Town for the deviation of the Bangalore - Mangalore Road, in connection with the formation of a Circle at Hassan.

==========

In forwarding herewith, a file of correspondence ending with the Hassan Sub Division Officer's Memo No. C2-C.461/33-34 dated the 19th September 1933 on the above subject, I have the honour to state as follows:-

1. The President of the Hassan Town Municipal Council having requested this office in his letter No. 215 dated 6-8-1933 to acquire Garden lands, S.Nos. 446 & 449 of Hassan Town required for the deviation of the Bangalore-Mangalore Road, in connection with the formation of a Circle in front of the Octroi Katte at Hassan, at an estimated cost of Rs 11,445/-, the Sub Division Officer, Hassan, was requested to obtain a report from the Amildar with the necessary statements of parties interested, and an estimate of the cost of acquisition etc., He has accordingly submitted the records. It is seen therefrom that the owners of the lands have no objection to their acquisition on payment of compensation.

2. As regards the market value of the lands proposed to be acquired, the Amildar states that the villagers estimate them at Rs 1200/- per acre, but that he is of opinion that they may be valued at Rs 800/- per acre. I consider that this rate also is too high and am therefore taking action separately to get the correct valuation of the lands by references to the indexes of lands maintained in the
